

# BOILERSUIT - MULTI FUNCTION

250GSM, MEGATEC  
STYLE: 4603

A multifunction fabric boilersuit to protect against several environmental hazards - all in one. Based on a flame retardant weave, the fabric involves both anti-static elements and a liquid repellent finish.

## Description:

- Seven concealed front stud fastenings allowing the garment to be fastened to the neck for added protection.
- Two breast pockets and one rear hip pocket with flaps (1cm wider than the pocket) fastened with two concealed studs to prevent ingress from welding splatter.
- Two side swing pockets with access.
- One rule pocket positioned on the right leg.
- Side elastication to assist ease of movement.
- Bartacks at stress points for extra strength.
- Available in both regular & tall fit.
- Stocked size range - 92 to 140cm, measured in 8cms increments.

## Fabric:

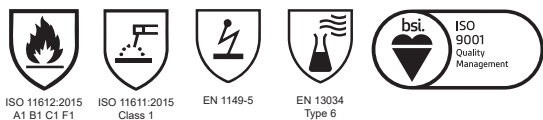

250gsm, 75/24/1 Cotton/Polyester/Negastat.

## Stock Colours:

Navy
